Ready to roll! We are looking for a partner to make our mobile unit a reality. We have a unit ready to roll. We have the \$50,000 down payment. We can afford the payments on the \$82,000 we need to finance. However, CEF only loans to churches. We are looking for a church that would help us by signing the note. If God is calling you to help, call me 734-646-8206

**GREAT NEWS: our grant proposal to the LWML Michigan District has been approved to be placed on the ballot at their convention this July. If you know a LWML member or delegate please put in a good word for us.**
