### NEWS UPDATES

- We have had to **temporarily stop taking new patients** until we can recruit some new providers. Two of our CNM's have had to stop serving. One because of a job relocation and the other because of childcare issues.
- Major gift has been received from a supporting congregation (\$25,000). Details in next update
- The Luke Project 52 Clinic received the Philip Award from the Michigan District of the LCMS for **"bringing HOPE to the people of Detroit through acts of service and community transformation in the name of Jesus"** All of the above have played a part that led to this award.

### Urgent Immediate Need:

- **Need Family Practice MD's, Obstetricians, CNM's, NP's**
